('the Company') with registered office located in Kęty, 32-650, Kościuszki Street 111 prepared as of 30 June 2017 which comprise of interim condensed balance sheet as of 30 June 2017, interim condensed profit and loss account, interim condensed other comprehensive income statement, interim condensed cash flow statement for the 6 month period ended 30 June 2017 and other explanatory notes ('the interim condensed financial statements').

Management is responsible for the preparation and presentation of accompanying interim condensed financial statements in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting* as adopted by the European Union ('IAS 34'). Our responsibility is to express a conclusion on accompanying interim condensed financial statements based on our review.

*Scope of review*

We conducted our review in accordance with National Financial Revision Standard 2410 based on International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* prepared by International Auditing and Assurance Standards Board ('standard'). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on accompanying interim condensed financial statements.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34.
